6. Ms. Mini Fernandez had presented a paper titled “In-Silico Studies of MIF, MIEN1, NAA40, RALB & PTGES Proteins involved in Colorectal Cancer” organized by St. Francis College for Women, Hyderabad on February 14th 2025. Mini Certificate
7. Ms. Mini Fernandez had presented a paper titled “In-Silico Studies of MTNB, TM14A, LEG2 SIOA3 & LTC4S proteins involved in Lung Cancer” organized by St. Francis College for Women, Hyderabad on February 14th 2025. Mini Certificate
8. Ms. Mini Fernandez had presented a paper titled “Investigation of Plant Defensin-Fungal Cell Wall Receptor Interactions & Plant Defensins role in imparting pathogenic resistance” organised by Maris Stella College, Vijayawada on March 12th and 13th, 2025. Mini Certificate
9. Dr Shikha Chander had presented a paper titled “Synthesis of Activated Carbon from Coconut Shell Using $ZnCl_2$ and $FeCl_3$ for Chemical Activation, Binding PAC and Exploring its Application” in the International Conference- 3rd International Conference on “Multifunctional Materials (ICMM-24)” conducted on November 19-21st, Organized by the Department of Freshman Engineering at Geethanjali College of Engineering and Technology, Hyderabad, India

10. Dr Shikha Chander had presented a paper titled "Synthesis of Activated Carbon from Groundnut Shell Using KOH" in International Conference on "Sustainable Nanobiotechnology - An Ecofriendly Approach" conducted on 10th January 2025 Organized by the Department of Microbiology at St. Francis College for Women, Hyderabad, India.
11. Dr D. Sumalatha had presented a paper titled "Green Synthesis of Silver Nanoparticles with Ocimum Tenuiflorum with study of Antimicrobial and Photocatalytic Degradation Studies" in International Conference on "Sustainable Nanobiotechnology - An Ecofriendly Approach" conducted on 10th January 2025 Organized by the Department of Microbiology at St. Francis College for Women, Hyderabad, India.
12. Dr M. Bhargavi had presented a paper titled "Computational approach for HDAC 1 protein structure modelling, validation and molecular docking" in National Conference on "Convergence of Technology & Biology-Transforming Life Sciences" conducted on 14th February 2025 Organized by the Department of Biochemistry at St. Francis College for Women, Hyderabad, India.
13. Dr Shikha Chander had presented a paper titled "Synthesis of Activated Carbon from Walnut Shell Using KOH and Exploring its applications" in International Conference on "Advances in Nanomaterials and Nanotechnology" held at Rajdhani College, University of Delhi, New Delhi, from 05 to 06 March 2025.
14. Dr M. Bhargavi had presented a paper titled "Computational approach for wnt6 protein structure modelling, validation and molecular docking for Potential Cancer Therapeutics" in international Conference on "Innovation and Emerging Technologies for Sustainability-2025" conducted on 7th March 2025 organized by the Department of Computer Science at St. Francis College for Women, Hyderabad, India.

48. Ms. Tabitha Ramona presented a paper titled “Exploring Proximates and mineral composition in Microgreens: A Nutritional Analysis” at the Two-day International Conference on “Creativity and Innovation in Research” organized by Research and Innovation Centre, BESTIU on May 17th and 18th, 2024.
49. Ms. Tabitha Ramona presented Virtual Oral presentation on the title ‘Impact of different Cooking methods on the nutritive value and sensory palatability of microgreens’ in the 7th International Conference on Food and Nutrition, organized by Universal Society of Food and Nutrition in association with Faculty of Applied Sciences, UCSI University, Kuala Lumpur Malaysia on June 29th and 30th, 2024.
50. Ms. Indu Bhargavi presented Virtual Poster presentation titles “A Comparative study on Functional and Nutritional Properties of various cookie premixes using Jackfruit seed flour in the 7th International conference on Food and Nutrition, organized by Universal Society of Food and Nutrition in association with Faculty of Applied Sciences, UCSI University, Kuala Lumpur Malaysia on June 29th and 30th, 2024.
51. Ms. Durga Nandini Presented a Poster titled “Nutritional strategy to combat Anemia through Wheatgrass juice supplementation” during the Golden jubilee National Seminar organized by AFSTI on 20th July 2024.
52. Ms. Durga Nandini Presented a Poster titled “A Comparative study of protein content in fermented Millet Idly batters” during the Golden jubilee National Seminar organized by AFSTI on 20th July 2024.
53. Ms. Spandana Presented a Poster titled “Development of Bread using Rajgira Flour” during the Golden jubilee National Seminar organized by AFSTI on 20th July 2024.
54. Ms. Patricia Michael presented Virtual Oral presentation on the title “Potential of Gymnema Sylvestre as a Supplement in Soup Formulation” in the 4th International

Joint Symposium on Agriculture and Food Security, organized by -Mae Fah Luang University, Chiang Rai, Thailand on 7 September, 2024.

55. Ms. Spandana presented a paper titled Hypothyroidism & its effects on ‘Cognition & Academics’ at International ‘Healthcare Management Conference- HealthNex’ Administrative Staff College of India (ASCI), Hyderabad on 9th November 2024(

1. R. Ramya Kriti & Alekha Anne had presented a paper titled “Isolation and Characterization of *Agrobacterium tumefaciens* from Crown Gall and Soil Samples” organized by St. Francis College for Women, Hyderabad on February 14th 2025.
2. Ms. T. Likhitanjali had presented a paper titled “Phytochemical Profiling and Bioactivity Assessment of RNR 15048 Variety of *Oryza sativa* (Telangana Sona Rice) Leaf Extract: A Gateway to Drug Discovery organised by Maris Stella College, Vijayawada on March 12th and 13th, 2025.
3. Ms. S. Tvisha Reddy had presented a paper titled “Phytochemical Screening, Quantification and Evaluation of Antibacterial and Antioxidant Properties of *Psidium*

guajava L” organised by Maris Stella College, Vijayawada on March 12th and 13th,2025.

4. Ms. Archana G had presented a paper titled “Exploring Microbial Approaches for the Bioremediation of Heavy Metal Contaminated Soils” organized by St. Francis College for Women, Hyderabad on February 14th 2025.
5. Ms. D. Keerthana Goud had presented a paper titled “In-Silico Studies of RBP7, CAML3, C35, LAGL5L, SIOOA3 Proteins involved in Breast Cancer” organized by St. Francis College for Women, Hyderabad on February 14th 2025.
6. Ms. Shravani Shriya Palanki had presented a paper titled “In-Silico Studies of MIF, MIEN1, NAA40, RALB & PTGES Proteins involved in Colorectal Cancer” organized by St. Francis College for Women, Hyderabad on February 14th 2025.
7. Ms. ANVS Lalitha Sarayu had presented a paper titled “In-Silico Studies of MTNB, TM14A, LEG2 SIOA3 & LTC4S proteins involved in Lung Cancer” organized by St. Francis College for Women, Hyderabad on February 14th 2025.
8. Ms. Gayathri Bhargavi has presented a paper titled “HDAC 1 protein structure modelling, validation and molecular docking” in National Conference on “Convergence of Technology & Biology-Transforming Life Sciences” conducted on 14th February 2025 Organized by the Department of Biochemistry at St. Francis College for Women, Hyderabad, India.
9. Ms. Esha Sripada has presented a paper titled “HDAC 1 protein structure modelling, validation and molecular docking” in National Conference on “Convergence of Technology & Biology-Transforming Life Sciences” conducted on 14th February 2025 Organized by the Department of Biochemistry at St. Francis College for Women, Hyderabad, India.
10. Ms. Gayathri Bhargavi had presented a paper titled “Computational approach for wnt6 protein structure modelling, validation and molecular docking for Potential Cancer Therapeutics” in international Conference on “Innovation and Emerging Technologies for Sustainability-2025” conducted on 7th March 2025 organized by the Department of Computer Science at St. Francis College for Women, Hyderabad, India.
11. Ms. Esha Sripada had presented a paper titled “Computational approach for wnt6 protein structure modelling, validation and molecular docking for Potential Cancer Therapeutics” in international Conference on “Innovation and Emerging Technologies for Sustainability-2025” conducted on 7th March 2025 organized by the Department of Computer Science at St. Francis College for Women, Hyderabad, India.

12. Ms. M. Sevitha B.Sc. Francisian Initiatives for Social Transformation (FIST)

Swarnojwala

St. Francis College for women, is constantly involved in various social outreach activities, to take our involvement one step deeper we have launched Swarnojwala scheme, a golden Jubilee initiative in 2009. Three deserving students from rural areas each year are adopted and provided

best of education, stay, clothing and every facility to watch them grow into competent and confident women of India in line with the vision of the College. On date 42 students are beneficiaries and 8 students are currently studying in the College. For the current year college has spent Rs. 8,98,256 for all the expenses of these students. They are followed up by the college constantly through a SPOC who will monitor their academic performance from time to time.

Daan Utsav

St. Francis College for Women organizes a Social Outreach Program every year in the month of December. It has been a practice to involve every student of the college in this initiative and help them experience 'Joy of Giving' by reaching out to the needy. DAAN UTSAV is a week-long celebration of connecting with less fortunate by offering them help either in cash or kind. The key objective is to develop the value of 'reaching out to the underprivileged' among the students. Every class is expected to visit an institution to provide aid and spend time with the inmates.

As a practice this year we've visited places like Auxillium Navajeevan Orphan Home, Don Bosco Navajeevan Child Care Centre, Mother Teresa Home, Nirmala Shishubhavan, Asha Kuteer Orphanage Etc., and To Name A Few.

The visit was on 5th or 6th December for UG II & III year and All PG students 12th or 13th for UG I year students. Mentors and other faculty were asked to accompany their respective classes
Amount Collected – Rs. 81,500 by Faculty of Arts, Amount Collected – Rs. 1,49,656 by Faculty of Science and Amount Collected – Rs. 2,46,919 by Faculty of Commerce and Management, staff- 30,000

Total collection for Daanutsav 2024-25 was Rs. 5,08,075

Students felt really grateful for the opportunity given by the college since they got a chance to impact the lives of the under-privileged through their collective effort.

UBA: Unnat Bharat Abhiyan

Village Development Activities Report (Academic Year 2024-2025)

During the 2024-2025 academic year, St. Francis College for Women actively participated in the Unnat Bharat Abhiyan (UBA) by conceptualising the village development plan based on the survey conducted in the UBA adopted villages and undertook three significant Village Development Activities (VDAs).

Conceptualisation of Village Development Plan:

Our VDP focused on three major objectives

- To empower communities through green practices for environmental sustainability

- To promote health and hygiene practices through community education
- To bring awareness about social issues and government-sponsored schemes

First Village Development Activity: August 1, 2024

A team of 70 students and 20 faculty members, led by Ms. D. Rupali, Coordinator of UBA, initiated the outreach program across four Thandas and Lakshmi Nagar Colony. The activities focused on:

- **Awareness of Social Issues and Government Schemes:** Conducted demonstrations on the Right to Education and the Sukanya Samriddhi Yojana to educate residents.
- **Environmental Sustainability:** Demonstrated kitchen gardening, composting processes, and emphasized the importance of greenery.
- **Health and Hygiene:** Highlighted the significance of personal hygiene, safe drinking water, and maintaining a balanced diet.

Second Village Development Activity: October 1, 2024

A follow-up visits by four faculty members targeted Kandi Thanda and Lakshmi Nagar Colony, emphasizing:

- **Environmental Sustainability:** Distributed bins to residents in Kandi Thanda to promote segregation of dry and wet waste.
- **Government Schemes:** Assisted families in Kandi Thanda with the registration process for the Sukanya Samriddhi Yojana at the local post office.
- **Skill Development:** Informed residents of Lakshmi Nagar Colony about skill development courses to facilitate visits of interested family members to the National Institute of Rural Development and Panchayati Raj (NIRDPR) for enrollment.

Third Village Development Activity: December 13, 2024

In a significant step towards enhancing educational infrastructure, the UBA team has established essential facilities in schools across adopted Thandas, where none existed before. The team provided Wooden chairs which facilitated proper seating arrangements for the school children and Ceramic cups and steel water bottles, promoting hygiene and cleanliness practices among students. This initiative has transformed the learning environment, providing students with basic yet critical amenities that support their educational journey.

- **Ippalagadda Thanda:** Donated 20 chairs to the government school and distributed 20 ceramic cups to school children.
- **Vaddenaguda Thanda:** Donated 65 chairs to the government school, 2 chairs to the Panchayat office, and distributed 53 ceramic cups to children.
- **Erdanoor Thanda:** Donated 41 chairs to the government school, 2 chairs to the Anganwadi center and 6 mugs among Anganwadi children.

- **Lakshmi Nagar Colony:** Donated 2 chairs and 1 almirah to the Solar Society and Divyang Garments, a society run by differently-abled individuals.
- **Kandi Thanda:** Distributed 100 steel water bottles to school children.

These initiatives have been warmly appreciated by the institutions and residents, reflecting the positive impact of the UBA program and the college's commitment to rural development.

FAA

The Francis Alumnae Association (FAA) of St. Francis College for Women showcased various initiatives and activities during 2024-25, emphasizing leadership, awareness, and opportunities. The Investiture Ceremony for the FAA-Student Body on July 18, 2024, marked the beginning of the year with the newly elected members pledging to uphold the association's values. On July 19, an awareness seminar on cervical cancer prevention featured Dr. Chinna Babu Sunkavalli, promoting the importance of vaccination. This led to a vaccination drive on July 26, organized in collaboration with the Grace Foundation, drawing significant participation. The association hosted events to encourage international education, such as the "Fly High-Study Abroad" event on August 30 and seminars by consultancies like Jamboree, One Window, Gateway Overseas, and Azent on studying abroad. These provided comprehensive guidance on applications, visa processes, and test preparations, inspiring students to explore global opportunities. Indeed, it was a proud moment for us, as Ms. Mary Elizabeth Dias, our outstanding SPOC, received the Service Excellence Award instituted by FAA on Teacher's Day (Sept., 5th). Her hard work and devotion are truly appreciated. The FAA also fostered community and celebration. A graduation after-party on October 5 united alumni and students in a vibrant event featuring performances, DJs, and stalls. On January 6, 2025, the annual Distinguished Guest Lecture Series inspired students through the success stories of alumni like Mrs. Kubra Mustafa Ali, Ms. Monika, and Ms. Simran Chhabria. These activities underscored FAA's commitment to leadership development, health awareness, global education, and community building, leaving a lasting impact on students and alumni alike. The Second dose of vaccination drive was held and over 100 doses were given. Lastly on 20th March, A valedictory ceremony was held in the quadrangle where the FAA Student Body were felicitated with mementoes and certificates for their dedication and handwork put in throughout the year.

Faith Formation Report for the Academic Year 2024-25

Campus Ministry and Spiritual Growth

At St. Francis College for Women, Begumpet, faith formation remains a cornerstone of holistic education. The academic year 2024-25 witnessed a dynamic blend of spiritual engagements, fostering unity and deeper religious understanding among students and staff.

- The faith formation journey for the year began in June 2024, marked by the Holy Eucharist Celebration, uniting Christian students in prayer and reflection.
- Monthly Holy Mass celebrations provided students and staff with an opportunity to strengthen their faith, with priests from various churches invited to preside over the services.

- Important Eucharistic celebrations were held throughout the year, commemorating the Birthday of the Blessed Virgin Mother, Christmas, New Year, Thanks giving, Lent, and the Foundation Day of the Sisters of Charity Congregation.
- The much-anticipated Annual Retreat 'ABLAZE 2024' was conducted from 11th to 13th January, 2025 with the guest speakers being Mr. Ajin Joseph and Sr. Paulina Melite. The retreat was truly a time of deep reflection on God's word and prayer which strengthened our faith. This retreat, led by the YC4U team and notable spiritual leaders, was a transformative experience focused on self-reflection and faith renewal.
- Every Friday FACE club organises FGTs, providing a platform for Christian students to fellowship and grow in their faith. It is conducted during the lunch for a period of half an hour in the prayer hall during which students and staff gather together to Worship Christ, Share His word and Pray for each other.
- A farewell prayer session for outgoing students was held on March 11th, 2025 where imparted words of wisdom and led the congregation in prayer.
- The Bible Certificate Course continued as an integral part of the curriculum for Christian and Catholic students, ensuring a strong foundation in scriptural teachings.
- Natale celebrations major inter-college fest of the year that is organised by the Face club in the month of December 2024 infused the campus with joy and festivity. Many offline and online competitions such as Collage making, Christmas Charades, greeting card, Bible quiz, photography etc. were planned and executed by the student coordinators of the Face club and faculty coordinators. The Student Natale on December 17th and Staff Natale on December 21st provided moments of gratitude and reflection.
- The Jubilee Cross Prayer was a spiritually enriching event conducted from 17th to 21st February 2025, led by the Christian staff and students of St. Francis College. This sacred observance served as a time of deep reflection, compassion, service and spiritual growth within the college community. Each day of the prayer week was marked by scripture readings and intercessory prayers centered around the message of hope, reconciliation, and gratitude. The presence of the Jubilee Cross symbolized a call to return to the roots of Christian faith and celebrate the grace of God in our lives.
- Regular Prayer Sessions were conducted from 6th January to 13th March 2025 by the staff and students of St. Francis College. These prayer gatherings helped foster a sense of community, promoted emotional well-being and inspired values of kindness and humility.
