**Report on Guest Lecture on Empowering Futures: Nurturing a Passion for Research in the**  
**Next Generation**

**Date: 14-12-2023**

**Time: 10.30 am to 12.00 noon**

**Brochure:**

The brochure is a colorful flyer for an event. It features the logos of St. Francis College for Women, the Department of Biotechnology, and Sustainable Development Goals. The text on the brochure includes: 'DBT STAR COLLEGE (Under Strengthening Component)', 'Department of Chemistry organizes an Alumna Talk on', '"Empowering Futures: Nurturing a Passion for Research in the Next Generation"', 'For B.Sc. Life Sciences & PG Organic Chemistry Students', 'Resource Person: Ms. Priyanka Mishra, Project Associate - I, CSIR-IICT, HYDERABAD', and 'Date : 14 -12-2023 | Time : 10.30 A.M to 12.00 Noon | Venue : Gerosa Hall'.

The Department of **Chemistry** organized a guest lecture on the topic **Empowering Futures: Nurturing a Passion for Research in the Next Generation** under DBT STAR COLLEGE (Strengthening Component) for the B.Sc., students of III year (B.Z.C, BT.Z.C, M.P.C, BC.CA.C, BT.BC.C, AN.B.C & AN.Z.C) and M.Sc., Organic Chemistry students of I & II year. Around 200 students and 15 faculty members participated. The resource person for the event was Priyanka Mishra (Project Associate – 1, CSIR-IICT, Hyderabad).

**Objectives:**

- To inspire current students to pursue M.Sc. Chemistry and research by highlighting the significance of advanced education in fostering intellectual growth, expanding career opportunities, and contributing to scientific advancements.
- To instill a passion for research and to convey the invaluable role it plays in shaping the future of both individuals and the scientific community.

### Outcomes:

- The alumni talk yielded a positive outcome, fostering motivation among students to delve into research and pursue M.Sc., in Organic Chemistry.
- Attendees gained valuable insights from the alumna's experiences, emphasizing the rewards of perseverance and collaboration in the field.
- The talk successfully ignited enthusiasm and a sense of purpose among students considering a future in organic chemistry research.
