DEPARTMENT OF ZOOLOGY

Report on Training Programme: One Day Hands on Training for School teachers in Biology Experiments

Date: December 14, 2023

Time: 9.00 am - 4.00pm

Brochure:

The brochure cover for the DBT STAR COLLEGE (Under the Strengthening component) features a blue header with logos of the Department of Biotechnology, St. Francis College for Women, and Sustainable Development Goals. The main title is 'DBT STAR COLLEGE (Under the Strengthening component)' in yellow and white text. Below it, the event is 'ONE DAY HANDS ON TRAINING FOR SCHOOL TEACHERS IN BIOLOGY EXPERIMENTS' on December 14th, 2023. It is organized by the Department of Zoology, with a time of 9.00 am - 4.00pm. The bottom half of the cover shows a photograph of the college building.

The brochure content is divided into three main sections: EXPERIMENTS COVERED, OBJECTIVE, and LEARNING OUTCOME. The experiments section lists 11 activities, including studying Taxis behavior, estimating oxygen consumption, water salinity, vermicompost preparation, blood group identification, and more. The objective states the workshop aims to give hands-on training to comprehend, examine, and analyze basic biological experiments. The learning outcome states teachers will be able to conduct biological experiments which can impart scientific aptitude amongst students. At the bottom, there is a registration link, contact information for the organizing team (Dr. Jyothi Rani, Dr. Vidya Jayaram, Ms. S. Sravanthi, Ms. X. Sheila Merlin), and a note that there is no registration fee and lunch/resource material will be provided.

The Department of Zoology organized a One Day Training Programme under DBT STAR COLLEGE (Strengthening Component) for School teachers in Biology Experiments.

Around 15 faculty members participated. The resource persons for the event were

1. Dr. Jyothi Rani Head, Department of Zoology, St Francis College for Women
2. Dr. Vidya Jayaram Faculty Member, Department of Zoology, St Francis College for Women

3. Ms. S. Sravanthi Faculty Member, Department of Zoology, St Francis College for Women

4. Ms. X. Sheila Merlin Faculty Member, Department of Zoology, St Francis College for Women

Objectives:

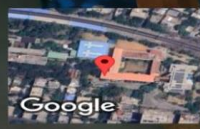

The workshop aims at giving hands-on training to comprehend, to examine, to demonstrate and to analyze the basic biological experiments to the teachers, who can inculcate scientific temperament in young minds aspiring in the field of Biological Science.

Outcomes:

The teachers will be able to conduct biological experiments which can impart scientific aptitude amongst students at High School Education.
