## IT Reforms during the period 2021-2022

### QR Code Generation

Automated generation of QR codes were setup based on the registration data for encoding the answer scripts for digital evaluation process.

## IT Reforms during the period 2021-2022

### Online Evaluation Process

Implementation of on-screen evaluation for all UG & PG programs helped in speeding up the process of result declaration. Introduction of this also generated question wise mark sheet which were useful OBE report generation.

## IT Reforms during the period 2021-2022

### Internal Assessment Report

An interface was developed to track the students who were not performing well during their internal assessments & assignments. This report was designed keeping in mind the ease for a faculty to find out the slow learners from their class and make sure they are scoring well for their end semester exams.

S.No.	Roll Number	Student Name	Section	Subject Name	Faculty Name	Internals		
						IA	CA	TOTAL
1	121319052036	SANJNA SHARON D	B.SC. S.E.(H) SEMESTER V	WEB PROGRAMMING	MS. AFEEFA NOORAIN	5	A	5
2	121319052039	SIDDAVATULA PRIYANKA	B.SC. S.E.(H) SEMESTER V	WEB PROGRAMMING	MS. AFEEFA NOORAIN	9	5	14
