

St. Francis

College for Women

Begumpet, Hyderabad-500016

(Autonomous & Affiliated to Osmania University)

SFC MRP SANCTION CERTIFICATE

This is presented to

DR. ANNAPURNA

DEPARTMENT OF MICROBIOLOGY

It is certified that the minor research project proposal titled Evaluation of anti-biofilm activity of selected plant extracts against MDR bacteria from food and food processing environments, has been assessed by the SFC Research committee and has been approved for Financial support under the SFC Minor Research grant scheme.

Date: 06-09-2021

DR. SR. SANDRA HORTA

Principal

St. Francis

College for Women
Begumpet, Hyderabad-500016

(Autonomous & Affiliated to Osmania University)

SFC MRP SANCTION CERTIFICATE

This is presented to

DR. P. ROSELIN

DEPARTMENT OF MICROBIOLOGY

It is certified that the minor research project proposal titled Antimicrobial Activity of Catharanthus roseus Leaf extracts incorporated with ZnO nanoparticles against organisms causing Dandruff, has been assessed by the SFC Research committee and has been approved for Financial support under the SFC Minor Research grant scheme.

Date: 06-09-2021

DR. SR. SANDRA HORTA
Principal

St. Francis

College for Women
Begumpet, Hyderabad-500016

(Autonomous & Affiliated to Osmania University)

SFC MRP SANCTION CERTIFICATE

This is presented to

DR. S. PARIJATHAM KANCHANA

DEPARTMENT OF BIOCHEMISTRY

It is certified that the minor research project proposal titled Isolation of Bioactive compounds and Invitro antepileptic activity of Indigofera tirunelvelica sanjappa, has been assessed by the SFC Research committee and has been approved for Financial support under the SFC Minor Research grant scheme.

Date: 06-09-2021

DR. SR. SANDRA HORTA
Principal

St. Francis

College for Women

Begumpet, Hyderabad-500016

(Autonomous & Affiliated to Osmania University)

SFC MRP SANCTION CERTIFICATE

This is presented to

DR. G. SONY

DEPARTMENT OF BIOCHEMISTRY

It is certified that the minor research project proposal titled Evaluation of phytochemical composition, pharmacognostic profile, bioactive potential and anti hyper glycemc property of Vernonia anthelmentica (L.) Willd. Whole Plant, has been assessed by the SFC Research committee and has been approved for Financial support under the SFC Minor Research grant scheme.

Date: 06-09-2021

DR. SR. SANDRA HORTA

Principal

St. Francis

College for Women
Begumpet, Hyderabad-500016

(Autonomous & Affiliated to Osmania University)

SFC MRP SANCTION CERTIFICATE

This is presented to

MS. V. DEEPA SWITHA

DEPARTMENT OF BIOTECHNOLOGY

It is certified that the minor research project proposal titled In House Competency for Generation of Micropropagated Ornamental Plants for Symbolic Souvenirs, has been assessed by the SFC Research committee and has been approved for Financial support under the SFC Minor Research grant scheme.

Date: 06-09-2021

DR. SR. SANDRA HORTA
Principal

St. Francis

College for Women
Begumpet, Hyderabad-500016

(Autonomous & Affiliated to Osmania University)

SFC MRP SANCTION CERTIFICATE

This is presented to

DR. SARITHA ADURI

DEPARTMENT OF CHEMISTRY

It is certified that the minor research project proposal titled Studies on biological and photocatalytic activities of transition metal complexes derived from Schiff base ligands, has been assessed by the SFC Research committee and has been approved for Financial support under the SFC Minor Research grant scheme.

Date: 06-09-2021

DR. SR. SANDRA HORTA
Principal

St. Francis

College for Women
Begumpet, Hyderabad-500016

(Autonomous & Affiliated to Osmania University)

SFC MRP SANCTION CERTIFICATE

This is presented to

DR. K. SUSMITHA

DEPARTMENT OF CHEMISTRY

It is certified that the minor research project proposal titled DFT Analysis, Molecular Docking, Dynamics and 2D QSAR studies of 2-(3-aryl-1,2,4-oxadiazol-5-yl)-n-phenylacetamide derivatives as Promising Antimicrobial Agents, has been assessed by the SFC Research committee and has been approved for Financial support under the SFC Minor Research grant scheme.

Date: 06-09-2021

DR. SR. SANDRA HORTA
Principal

St. Francis

College for Women

Begumpet, Hyderabad-500016

(Autonomous & Affiliated to Osmania University)

SFC MRP SANCTION CERTIFICATE

This is presented to

DR. D. SUMALATHA

DEPARTMENT OF CHEMISTRY

It is certified that the minor research project proposal titled "APPLICATIONS OF VERSATILE IONIC LIQUIDS AS GREEN SOLVENTS IN ORGANIC SYNTHESIS", has been assessed by the SFC Research committee and has been approved for Financial support under the SFC Minor Research grant scheme.

Date: 06-09-2021

DR. SR. SANDRA HORTA

Principal

St. Francis

College for Women
Begumpet, Hyderabad-500016

(Autonomous & Affiliated to Osmania University)

SFC MRP SANCTION CERTIFICATE

This is presented to

DR. USHA PRAVEENA V J

DEPARTMENT OF PHYSICS

It is certified that the minor research project proposal titled Development of Hard and Soft Ferrite Based Composite Materials for High Frequency Application, has been assessed by the SFC Research committee and has been approved for Financial support under the SFC Minor Research grant scheme.

Date: 06-09-2021

DR. SR. SANDRA HORTA
Principal

St. Francis

College for Women

Begumpet, Hyderabad-500016

(Autonomous & Affiliated to Osmania University)

SFC MRP SANCTION CERTIFICATE

This is presented to

DR. NANDINI SANYAL

DEPARTMENT OF PSYCHOLOGY

It is certified that the minor research project proposal titled Learning Strategies, Perceived Academic Control Learning related enjoyment & perceived academic stress among intermediate and college students, has been assessed by the SFC Research committee and has been approved for Financial support under the SFC Minor Research grant scheme.

Date: 06-09-2021

DR. SR. SANDRA HORTA
