

Name of the Ph.D. scholar	Name of the Department	Name of the guide/s	Title of the thesis	Year of registration of the scholar	Year of award of PhD
Dr.Roselin.P	Microbiology	Dr.M.Shailaja Raj	Antibacterial activity of ZnO nanoparticles against <i>Propionibacterium acnes</i>	2010	2017
Ms.Anitha Thomas	Microbiology	Dr.M.Shailaja Raj	Antimicrobial activity of Titanium dioxide nanoparticles on dental	2012	2019
Ms.Y.Gayatri	Microbiology	Dr.M.Shailaja Raj	Role of Microbial-Iron nanocomposites in biotransformation of heavy metals released from e-waste	2012	Completed Colloquium
Ms.P.Mamatha	Biotechnology	Dr.M.Shailaja Raj	Biodegradation of fruit wall of Albizzia lebbeck Benth by soil fungi	2012	Ongoing
Ms.Arsheen Tabassum	Microbiology	Dr.M.Shailaja Raj	Natural Plant Extracts and Nanomaterials as Potential Antimicrobial Agents in treating Diabetic Wound Infections	2017	Ongoing
Ms.Sunitha .D	Microbiology	Dr.M.Shailaja Raj	Nanocomposites as Biofertilizers for Plant Growth Promotion	2017	Ongoing
Ms.Shalini	Microbiology	Dr.M.Shailaja Raj		2017	Ongoing
Ms.K.Suman	Microbiology	Dr.B.Aruna	Study of exopolysaccharides produced by Lactic acid bacteria from fermented foods and their	2017	Ongoing
